**S111336****FIGUEROA (VICENTE  
BENAVIDES) ON H.C.**

Order filed

Respondent's "Request for More Definite Statement of Modifications to Amended States Habeas Corpus Petition," filed November 8, 2007, is granted as follows: Petitioner is ordered to file, within 90 days of the date of this order, a corrected amended petition for writ of habeas corpus. The corrected amended petition must comply with the order of this court granting leave to amend

petitioner's original habeas corpus petition, filed November 1, 2006, and this order. In granting leave to amend the original petition, this court did not grant leave to supplement the original petition. Therefore, the corrected amended petition may not contain references to the informal response, informal reply, or this court's opinion on appeal; may not include material unrelated to the fraudulent work product of Kathleen Culhane or unrelated to additional investigation made necessary by the fraudulent work product of Kathleen Culhane; and may not include material unavailable at the time of the filing of the original petition except that related to the fraudulent work product of Kathleen Culhane. All changes from the original petition or the amended petition contained in the corrected amended petition must be accompanied by an explanation as to why such changes are necessary as a result of the fraudulent investigation of Kathleen Culhane. The corrected amended petition should be identical to the original petition filed on November 12, 2002, except for changes made necessary by the fraudulent investigation of Kathleen Culhane. Each claim must clearly be identified as a Category 1, 2, or 3 claim, as set forth in the order of November 1, 2006. Accordingly, petitioner is also ordered to supply this court and respondent with a "redlined" copy of the corrected amended petition that tracks the additions and deletions made from the original petition. The corrected amended petition will be deemed presumptively timely if filed in compliance with this order by April 22, 2008, and the amended petition will then be stricken. The presumption of timeliness will not apply if the corrected amended petition is not filed by April 22, 2008. If the corrected amended petition is not in compliance with this order and this court's order of November 1, 2006, it, the amended petition, and the original petition will be stricken. If petitioner wishes to present additional material unrelated to the fraudulent investigation of Kathleen Culhane to supplement an existing claim, he must seek permission to file a supplemental petition. Any such supplemental petition filed by permission of this court will be deemed presumptively timely filed if filed by April 22, 2008. If petitioner wishes to present new claims, he must file a new original petition, which must allege facts establishing the absence of substantial delay, or explaining and justifying any substantial delay, or showing that an exception to the untimeliness bar applies (*In re Clark* (1993) 5 Cal.4th 750, 783).
